

Learn About Careers in Finance!

If you're interested in a career in finance, the St. Louis Summer Finance Institute is your opportunity to learn about and explore the world of finance!

- Gain experience working at financial services companies
- Learn about the variety of careers in finance and accounting
- Meet finance professionals who can guide your career
- Make valuable contacts for future employments

The St. Louis Summer Finance Institute will open your eyes to the fascinating, fast-paced world of finance and the many possibilities for a rewarding career!

Hands-On Experience!

This summer you may be eligible for a paid internship and an opportunity to work at a variety of financial services companies such as investment firms, banks, financial consultants or local government finance offices ... working at some of the largest and most prestigious St. Louis financial firms. To be eligible you must be a St. Louis City resident, with an above-average academic standing at a St. Louis-area high school and an interest in a career in finance.

A Variety of Careers!

You'll learn about a variety of finance careers – from being a runner on a trading floor to junior sales associate.

In addition to receiving hands-on training, you'll ...

- Understand and learn how to monitor the stock market
- Attend seminars to supplement your job experience
- Tour area financial institutions
- Work on actual case studies on trading and finance

The St. Louis Summer Finance Institute is your opportunity to find out if a career in finance is right for you!

Take advantage of the St. Louis Summer Finance Institute to learn if the world of finance is the right path for you for a rewarding career!

Darlene Green College Scholarship Fund

The Darlene Green Scholarship Fund was established in 2003 in honor of Darlene Green, Comptroller of the City of St. Louis, in recognition of her contributions in the area of education for students of the City of St. Louis. The scholarship provides assistance to three students (high school seniors or college sophomores, juniors or seniors) who will be attending college and pursuing a career in finance. One recipient will have successfully completed the St. Louis Summer Finance Institute's ("SLSFI") summer internship program.

The remaining two scholarships will be awarded to one member of the Herbert Hoover Boys & Girls Club and the Mathews-Dickey Boys & Girls Club in the name of Darlene Green.
