PLEASE NOTE: Yard waste will be collected each Wednesday (except holiday weeks) until December 2, 2009. Weekly yard waste pick-up will resume March 3, 2010. If you must dispose of grass clippings, do not place unbagged clippings in the bottom of the cart. To avoid sticking, either put clippings in a bag (paper bags are preferred) in the bottom or place bulkier yard waste, such as leaves or branches, at the bottom of the cart. Yard waste will **NOT** be collected from roll carts from December 2, 2009 until March 3, 2010.

THE BEST SOLUTION IS TO RECYCLE YARD WASTE AT HOME!

- ✓ Reduce, Reuse, Recycle:
- ✓ Help your budget and the environment by turning yard waste into a resource.
- ✓ Help fertilize your lawn by leaving grass clippings on the lawn after mowing.
- ✓ Recycle grass, leaves and other organic material into compost or mulch, which improves the health of lawn and garden soil and plants.
