It's Springtime! Earth Day is at hand! Come celebrate the beauty of our park and neighborhood at the 2nd annual Celebrate Carondelet Park Day. Visit exhibits and get earth-friendly tips from Leftovers Etc., the City of St. Louis, the Missouri Department of Natural Resources, and ALIVE. Donate old cell phones at ALIVE's booth. Recycle books at the free book exchange. See Big Shark Bicycle Company's new commuter bikes. Share fun with friends and take home a seedling tree. We'll be there, rain or shine!

Help keep Carondelet Park beautiful!
